|--|-----------------------|------------------------|
| <b>Product Identification (Including Customer P/N):</b><br>RASCO+ SERIES CLOCK OSCILLATORS, ALL FREQUENCIES AND ALL MODELS.  |                       |                        |
| <b>Detailed Description of Changes:</b><br>This product family is being obsoleted. The recommended replacement is the MHO+. The data sheet for this product family is available at <a href="http://www.mtronpti.com">http://www.mtronpti.com</a> .   |                       |                        |
| <b>Reason for Changes:</b><br>The RASCO+ has had low activity over the past few years, and for that reason, it will not be updated to meet RoHS requirements. The MHO+ will be RoHS compliant by the required date.  |                       |                        |
| <b>Projected Timing of Change and Implementation Date:</b><br>See below.   |                       |                        |
| <b>Anticipated Impact on Quality and Reliability:</b><br>None. The recommended replacements are mature products that have been in production for several years.  |                       |                        |
| <b>Qualification Plan (if applicable):</b><br>Not applicable.  |                       |                        |
| <b>Last Time Buy Date:</b><br>The last date to place orders for RASCO+ oscillators will be June 30, 2005.  |                       |                        |
| <b>Last Time Delivery Date and Comments (if applicable):</b><br>Deliveries of RASCO+ oscillators will not be scheduled beyond September 30, 2005.  |                       |                        |
